Welcome to the SBIC 2019 golf season. We are looking forward to the upcoming golf season. Weather permitting the 2019 season will begin in April.

***Season preview:***

- The Board is working on the 2019 SBIC tournament schedule. The Franklin Park home/away has proven to be popular, and it will be included this year. The Board is also considering some new tournament formats and some tweaks to existing tournaments. More to come as details are finalized
- The course continues to undergo changes and has also been re-rated. The Board is consulting with SBCC to understand and incorporate the pertinent changes, which will likely mean some changes to our scorecard.
- The SBIC Players Cup is being revised. The new format will be posted prior to the first round
- Members will have an opportunity to try a different tee box before making a final tee box declaration. The trial period will end firmly on May 31<sup>st</sup>. Please contact **Dave Aucoin** if you have questions.
- Please note that comments concerning course conditions should be brought to any Executive Board member. Your concerns will be forwarded to the superintendent promptly.
